

## Informations personnelles

**First Name :** Yasmine

**Family Name :** ADIMI

**Email :** darraselio@gmail.com

**Date first registration :** 2022-11-01

**Unique ID :** CCA8C3D4-167C-5646-9ECE-0130AAD64A5C

**Doctoral student's department :** IMMUNO

## Thesis information & supervision

**Thesis Title :** Caracterisation de l'infiltrat immunitaire des cancers des voies aero-digestives superieures de patients traites par Immunotherapie en utilisant la plateforme spatiale multiplexe a cellule unique et celle de marquages multiparametrique en vue de developper un algorithme d'aide a la prediction en pathologie digitale.

**Funding :** Type Financement

**Research unit :** UMR\_S 970 / Centre de recherche cardiovasculaire PARCC

**Director of the research unit :** SILVESTRE Jean-Sebastien

**Team :** Immunotherapie et traitement anti-angiogenique en cancerologie

**Team leader :** TARTOUR Eric

**Thesis supervisor :** BADOUAL Cecile - elio.darras@gmail.com

## Member of the CSI committee

**Member #1 :** Paul Debris - elio.darras@gmail.com

**Member #2 :** Pierre Miaou - yveltale@gmail.com

## Scientific activities

**Missions :** none

**Publications :** none

**Conferences :** none

**Posters :** none

**Public communications :** none

## Training modules

**Scientific modules (cumulated hours) :** 0h

**Cross-disciplinary modules (cumulated hours) :** 0h

**Professional integration and career development modules (cumulated hours) :** 0h

**Total number of hours (all modules) :** 0h

## Annual Scientific Report

## **?? Reponse des membres du CSI**

### **Question 1**

**Has the research question been clearly and adequately defined?**

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 2**

**Does the doctoral student have a comprehensive understanding of the research process and the tasks to be completed prior to the defense?**

# DOSSIER DE PASSAGE AU TITRE PROFESSIONNEL

## Identification

# ELIO DARRAS

## CONCEPTEUR DÉVELOPPEUR D'APPLICATIONS

### CONTACT

-  elio.darras@gmail.com
-  07 85 70 94 37
-  75020 Paris
-  <https://fr.linkedin.com/in/darras-elio>
-  <https://github.com/Darrao>

### ACTIVITÉS EXTRA-PROFESSIONNELLES

**Sport**  
**Jeux vidéo**  
**Projets**  
sites web  
mini jeux  
maquettes 3d

### COMPÉTENCES

#### Frontend

HTML, CSS, SCSS, JavaScript, TypeScript, React.js, React Native, Google app Script, Flutter

#### Backend

NodeJS, Express, PHP, Nest.js, MySQL, MongoDB, MariaDB

#### Autres

Docker, Git, GitLab, Figma, Jira

#### Langues

Français : Maternelle  
Anglais : Intermédiaire

Recherche alternance de 12 mois

Rythme : 3 semaines en entreprise / 1 semaine en formation

Éligible à la prime de 6000 euros

### FORMATION

En cours

- **Diplôme Concepteur Développeur d'Application Bac +4 Titre RNCP niveau 6**

2021 - 2023

- **Diplôme Développeur web et web mobile Bac +2 Titre RNCP niveau 5**

#### Lycée

2020 - 2021

- **Baccalauréat général spécialités Mathématiques et Numérique et Sciences de l'Informatique**
- **Élu au CVL du lycée pendant 2ans**

### PROJETS PERSO

- **Création de mini jeux avec Python en une semaine**
- **Création de blogs internet avec HTML 5, CSS, PHP, SQL d'une échéance de 2 semaines.**
- **Création d'un Blog répertoriant mes activités sportives.**
- **Projets Javascript natif (todoList, memory etc...)**
- **Projets React / React Native, Nest.js**
- **Création de thèmes/plugins wordpress**
- **Création d'applications mobile**
- **Création d'application apple vision pro**
- **Developpement d'une application React Native de lecture de manga en ligne et plus (HoneygiRead)**

### EXPÉRIENCE PROFESSIONNELLE

○ 2023 - 2024

#### Junior Associate Technology (ingénieur QA)

- **Conception de scénarios de tests**
- **Utilisation de Webdriverlo et Cypress avec cucumber**
- **Utilisation de BrowserStack pour des tests multi-environnements**
- **Intégration et optimisation de processus de tests dans des environnements existants**
- **Automatisation de l'intégration des tests dans les pipelines CI/CD**

○ 2022 - 2023

#### Alternant Développeur Web / devOps

- **Initiation au devOps**
- **Apprentissage de Docker / Github Actions**
- **Initiation à AWS / kubernetes / Terraform / ELK**

○ 2021 - 2023

#### Alternant Développeur Web

- **Création de plusieurs sites web sur webflow**
- **Création de mini jeux en JavaScript Natif avec backend**
- **Création d'un thème et d'un plugin Wordpress**
- **Apprentissage de vue.js, Nest.js et React.js**
- **Création de mini applications pour site web en React.js (calculateur de tjm selon la région)**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 3**

**Is the research progressing as expected? If not, would an extension of the thesis preparation period allow for a successful defense?**

**Response:** +

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 4**

**Have all the scientific, material, and financial requirements necessary for the doctoral project been fulfilled?**

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 5**

**If the doctoral student is preparing his/her thesis within a collaborative framework, are the conditions satisfactory?**

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 6**

**How effectively are the thesis director or co-directors managing the supervision?**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 7**

**Is the communication between the doctoral students and supervisors satisfactory?**

**Response:** +

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 8**

**Is the doctoral student well-integrated into the research team or unit? Does he/she feel isolated?**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 9**

**How motivated and determined is the doctoral student to progress with his/her work?**

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 10**

**Are there any signs of demotivation or discouragement?**

**Response:** +

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

### **Question 11**

**Is the doctoral student at risk of psychosocial stress?**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## **Question 12**

**Written output (progress report, bibliography review, article, conference abstract)?**

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## **Question 13**

**Has the doctoral student been educated on research ethics and scientific integrity?**

**Response:** +

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## **Question 14**

**Are the doctoral student's presentation skills up to par?**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## **Question 15**

**Does the doctoral student have opportunities to broaden his/her scientific culture?**

**Response:** +/-

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## Question 16

### How is the training portfolio progressing?

**Response:** -

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## Question 17

### How is the preparation for the doctoral student's future career progressing?

**Response:** +

**Comment:** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

## Conclusion et recommandations

**Conclusion :** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas  
Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas  
Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas  
Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas  
Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas

**Recommendation :** exemption

**Recommendation Comment :** Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas  
Lorem ipsum dolor sit amet consectetur adipiscing elit, mattis commodo malesuada sociis primis torquent, magnis vel potenti mollis dui egestas
